Sixty-ninth year

Identical letters dated 11 February 2014 from the Chargé d'affaires a.i. of the Permanent Mission of Saudi Arabia to the United Nations addressed to the Secretary-General and the President of the Security Council

With reference to the letter issued as document A/68/694-S/2013/766 on 24 December 2013, I should like to convey to you the following information:

The Kingdom of Saudi Arabia affirms that, since the Syrian crisis began, it has consistently supported efforts to arrive at a peaceful resolution and has never ceased to cooperate with the international community as it responds to the humanitarian crisis caused by the war the Syrian regime has waged and the crimes against humanity that the regime has committed against its people.

The Syrian regime is persisting in its attempts to occupy the United Nations and the Security Council with a pack of lies and waging a campaign to distort Saudi Arabia's position on the Syrian crisis. This is nothing but a petty, desperate attempt on the part of the regime to deflect the international community's attention from the atrocities and systematic violence it is committing. The Syrian regime is attempting to hide its violations of human rights, international human rights law and international humanitarian law under the guise of what it calls the war on terrorism and takfirist ideology. It is no secret to the international community that the only source of terrorism in Syria is the Syrian regime itself. The party that is promoting a duplicitous campaign against terrorism would do better to put an end to the terrorism it perpetrates against its people.

Saudi Arabia condemns terrorism in all its forms and affirms that terrorism has no religion or nationality. Itself a victim of terrorist attacks and the target of extremists, Saudi Arabia plays a leading role in international efforts to counter terrorism, eliminate extremism and respond to takfirist ideology. It is well known that Saudi Arabia led efforts to establish the United Nations Counter-Terrorism Centre and, in August 2013, contributed $100 million in support of the implementation of the Global Counter-Terrorism Strategy. It further demonstrated its leadership by establishing the King Abdullah Bin Abdulaziz International Centre for Interreligious and Intercultural Dialogue in Vienna in 2011. Combating extremist

ideology and promoting a shared understanding between different religions and cultures are two of the Centre's most important functions. In keeping with Saudi Arabia's conviction that sectarianism is a threat among coreligionists, the Muslim World League responded to the call of King Abdullah and launched the Mecca appeal, which calls for the promotion of communication between all Islamic sects, rejection of partisanship and fanaticism, and achieving understanding among religions and cultures in order to bring about and maintain world peace. Any call, from any entity, that deviates from the principles of Saudi Arabia's policy of rejecting terrorism and extremism and striving for coexistence, peace and security for all humanity is unacceptable and rejected.

The region is going through difficult times. The Syrian regime continues to commit crimes, spread fanaticism and sectarianism among a single people and the entire region, and torture and humiliate our brothers in Syria. Such conditions are fertile soil for those who espouse deviant ideology. Saudi Arabia has consistently strived to protect its people from the danger of being thus deceived and has employed various means to that end, the most significant of which was the promulgation of a royal decree in 2010 that limits the authority to issue fatwas to the Council of Senior Religious Scholars and warns that any person who contravenes that injunction shall be held accountable and subject to severe legal penalties. Since the Syrian crisis began, Saudi Arabia has continued to work with Syria's neighbours to prevent any Saudi Arabian citizen from travelling to Syria.

Saudi Arabia has called for the immediate withdrawal of armed foreign forces and soldiers from Syrian territory. That would enable Syrians to choose their own future without foreign interference, preserve Syria's sovereignty, independence and territorial integrity, and realize the aspirations of the entire Syrian people, without discrimination. However, the Syrian regime continues to rely on mercenaries, bring in Iranian Revolutionary Guard troops and Hizbullah militias, authorize foreign occupation of its soil, fragment Syrian national unity and threaten the country's territorial integrity.

Saudi Arabia, in cooperation and solidarity with the international community, will not falter in extending assistance to its Syrian brethren in their struggle against the terrorism of the Syrian regime and its human rights violations.

Saudi Arabia calls on the Security Council to fulfil its responsibility under the Charter of the United Nations to maintain international peace and security. It should refer the perpetrators of crimes against humanity to international justice mechanisms and put an end to the suffering of the Syrian people and stop betraying them.

I should be grateful if this letter could be circulated as a document of the General Assembly, under agenda item 110 on measures to eliminate international terrorism, and of the Security Council. Please note that we will provide you with additional information, if necessary.

Demanding an immediate and complete cessation by all parties to the armed conflict of all acts of sexual violence against civilians in line with resolutions 1325 (2000), 1820 (2008), 1888 (2009), and 1889 (2009), 1960 (2010), 2106 (2013), 2122 (2013); recruitment and use of children in violation of applicable international law, and other grave violations and abuses against children in line with resolutions 1261 (1999), 1379 (2001), 1539 (2004), 1612 (2005), 1882 (2009), 1998 (2011) and 2068 (2012); and indiscriminate attacks on civilians in line with resolution 1265 (1999), 1296 (2000), 1674 (2006), 1738, (2006), 1894 (2009),

Reiterating its strong condemnation of attacks against UNAMID and its call on the Government of Sudan to swiftly investigate these attacks and bring the perpetrators to justice, and *further reiterating* its call on all parties in Darfur to cooperate fully with the mission, and reaffirms its deep condolences to the Governments and families of those killed,

Reaffirming its concern over the negative effect of ongoing violence in Darfur on the stability of Sudan as a whole, as well as the region, welcoming the ongoing good relations between Sudan and Chad, and *encouraging* Sudan, Chad and the Central African Republic to continue to cooperate in order to achieve peace and stability in Darfur and the wider region,

Deploring the continued obstacles that have been imposed by the Government of Sudan on the work of the Panel of Experts during the course of its mandate, including restrictions to the freedom of movement of the Panel of Experts and UNAMID, and limitations on the Panel of Experts' access to areas of armed conflict and areas of reported violations of human rights and international humanitarian law, while noting improved interaction between the Government of Sudan and the Panel of Experts,

Further deploring incidents of interference by the Government of Sudan with the work of the Panel of Experts, including the denial of entry of the Panel's Finance Expert, as set out in paragraphs 2, 18, and 21 of the Final Report of the Panel of Experts (S/2014/87),

Calling on the Government of Sudan to fulfil all its commitments, including lifting the state of emergency in Darfur, allowing free expression and undertaking effective efforts to ensure accountability for violations and abuses of human rights and violations of international humanitarian law, by whomsoever perpetrated,

Noting that acts of hostility, violence or intimidation against the civilian population, including IDPs, in Darfur and other activities that could endanger or undermine the Parties' commitment to a complete and durable cessation of hostilities would be inconsistent with the Doha Document for Peace in Darfur,

Determining that the situation in Sudan continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

1. *Decides* to extend the mandate of the Panel of Experts, originally appointed pursuant to resolution 1591 (2005) and previously extended by resolutions 1651 (2005), 1665 (2006), 1713 (2006), 1779 (2007), 1841 (2008), and 1891 (2009), 1945 (2010), 1982 (2011), 2035 (2012) and 2091 (2013), for a period of thirteen months, *expresses its intent* to review the mandate and take appropriate action regarding further extension no later than twelve months from the adoption of this resolution, and *requests* the Secretary-General to take the necessary administrative measures, including basing arrangements, as expeditiously as possible;

2. *Requests* the Panel of Experts to provide no later than 31 July 2014, a midterm briefing on its work to the Committee established pursuant to paragraph 3 (a)

4. *Requests* the Panel of Experts to report, in the timeframe identified in paragraph 3, on the implementation and effectiveness of paragraph 10 of resolution 1945 (2010);

Arms embargo

5. *Expresses its concern* that the direct or indirect supply, sale or transfer to Sudan of technical assistance and support, including training, financial or other assistance and the provision of spare parts, weapons systems and related materiel, could be used by the Government of Sudan to support military aircraft being used in violation of resolutions 1556 (2005) and 1591 (2005), including those aircraft identified by the panel, and urges all States to be mindful of this risk in light of the measures contained in resolution 1591 (2005);

6. *Calls* upon the Government of Sudan to address the illicit transfer, destabilizing accumulation, and misuse of small arms and light weapons in Darfur, and to ensure the safe and effective management, storage and security of their stockpiles of small arms and light weapons, and the collection and/or destruction of surplus, seized, unmarked, or illicitly held weapons and ammunition;

7. *Expresses* its concern that certain items continue to be converted for military purposes and transferred to Darfur, and urges all States to be mindful of this risk in light of the measures contained in resolution 1591 (2005);

Implementation

8. *Condemns* the reported continuing violations of the measures contained in paragraphs 7 and 8 of resolution 1556 (2004) and paragraph 7 of resolution 1591 (2005), as updated in paragraph 9 of resolution 1945 (2010) and 4 of resolution 2035 (2012) and *directs* the Committee, in line with its mandate, to respond effectively to such violations;

9. *Expresses its concern* that the travel ban and asset freeze on designated individuals is not being implemented by all Member States, and requests the Committee to respond effectively to any reports of non-compliance by Member States with paragraph 3 of resolution 1591 (2005) and resolution 1672 (2006), including by engaging with all relevant parties;

10. *Reiterates* that all States shall take the necessary measures to prevent entry into or transit through their territories of all persons as designated by the Committee, and calls upon the Government of Sudan to enhance cooperation and information sharing with other States in this regard;

11. *Urges* all States, in particular those in the region, to report to the Committee on the actions they have taken to implement measures imposed by resolutions 1591 (2005) and 1556 (2004), including imposition of targeted measures;

12. *Expresses its intention*, following the midterm report, to review the state of implementation, including obstacles to full and effective implementation of the measures, imposed in resolution 1591 (2005) and 1945 (2010), with a view to ensuring full compliance;

13. *Regrets* that some individuals of the Government of Sudan and armed groups in Darfur continue to commit violence against civilians, impede the peace process, and disregard the demands of the Council, *expresses its intention* to impose targeted sanctions against individuals and entities that meet the listing criteria in paragraph 3 (c) of resolution 1591 (2005), and *encourages* the Panel of Experts, in coordination with the Joint African Union/United Nations Mediation, to provide to the Committee when appropriate the names of any individuals, groups, or entities that may meet the listing criteria;

14. *Requests* the Panel of Experts to continue to investigate the financing and role of armed, military, and political groups in attacks against UNAMID personnel in Darfur, and *notes* that individuals and entities who plan, sponsor or participate in such attacks constitute a threat to stability in Darfur and may therefore meet the designation criteria provided for in paragraph 3 (c) of resolution 1591 (2005);

15. *Welcomes* the Committee's work, which has drawn on the reports of the Panel and taken advantage of the work done in other forums, to draw attention to the responsibilities of private sector actors in conflict-affected areas;

Cooperation

16. *Calls on* the Government of Sudan to remove all restrictions, limitations and bureaucratic impediments imposed on the work of the Panel of Experts, including by issuing timely multiple-entry visas to all members of the Panel of Experts for the duration of its mandate, and by waiving the requirement of Darfur travel permits for said Panel members, and *urges* the Government of Sudan to enhance its cooperation and information sharing with the Panel and allow the Panel free and unfettered access to all of Darfur;

17. *Urges* the Government of Sudan to respond to the Committee requests on measures put in place to protect civilians in various parts of Darfur, including those affected by new displacements; investigations conducted and accountability measures undertaken for killings of civilians and perpetrators of human rights violations and abuses and violations of international humanitarian law, investigations conducted and accountability measures undertaken for attacks against peacekeepers and humanitarian personnel; and the situation of civilian populations in areas such as eastern Jebel Marra, where the Panel of Experts, UNAMID and humanitarian agencies and personnel have been denied access, and measures taken to allow timely, safe, and unhindered access for humanitarian relief to these areas, while respecting the United Nations guiding principles of humanitarian assistance and the relevant provisions of International Humanitarian Law;

18. *Urges* all States, relevant United Nations bodies, the African Union and other interested parties, to cooperate fully with the Committee and the Panel of Experts, in particular by supplying any information at their disposal on implementation of the measures imposed by resolution 1591 (2005) and resolution 1556 (2004), and to provide timely responses to information requests;

19. *Requests* the Panel of Experts to continue to coordinate its activities as appropriate with the operations of the United Nations/African Union Hybrid Operation in Darfur (UNAMID) and with international efforts to promote a political process in Darfur, and to assess in its interim and final reports progress towards reducing violations by all parties of the measures imposed by paragraphs 7 and 8 of resolution 1556 (2005), paragraph 7 of resolution 1591 (2005), and paragraph 10 of resolution 1945 (2010), progress towards removing impediments to the political process, threats to stability in Darfur and the region; violations of international humanitarian law or violations or abuses of human rights, including attacks on the civilian population, sexual- and gender-based violence and grave violations and abuses against children, and other violations of the above-mentioned resolutions, and to provide the Committee with information on the individuals and entities that meet the listing criteria in paragraph 3 (c) of resolution 1591;

Protracted conflicts in the GUAM area and their implications for international peace, security and development

The situation in the occupied territories of Azerbaijan

Letter dated 12 February 2014 from the Permanent Representative of Azerbaijan to the United Nations addressed to the Secretary-General

In accordance with instructions received from the Government of the Republic of Azerbaijan, I have the honour to draw your attention to ongoing violations of the ceasefire by the armed forces of the Republic of Armenia recorded for January 2014 (see annex). The reporting period was marked by the significant escalation of the security situation due to the increased intensity of fire by the armed forces of Armenia from their positions in the occupied territories of Azerbaijan and from the territory of Armenia. As a result, two officers of the armed forces of Azerbaijan, Captain Elnur Jafarov and Lieutenant Sabuhi Azizov, were killed by a sniper, and one serviceman was wounded.

During this period, the armed forces of Armenia also continued shooting — often using high-calibre heavy machine guns and sniper rifles — at populated areas and civilian objects situated in the vicinity of the frontline, including private households, schools and medical facilities, which led to casualties among civilians and serious damage to their property. In January, two unsuccessful incursion attempts across the frontline by Armenian sabotage groups were recorded as well.

Looking at the time, direction and frequency of Armenia's violations of ceasefire and their coincidence with important meetings taking place under the auspices of the Organization for Security and Cooperation in Europe (OSCE) Minsk Group Co-Chairs, deep analytical skills and military experience are not required to ascertain that those violations were committed deliberately, systematically and upon orders from the central military command in Yerevan. The fact that the Armenian side halts shooting for several hours only during the ceasefire monitoring activities carried out every fortnight by the Personal Representative of the OSCE Chairperson-in-Office, and resumes immediately after their completion and sometimes without waiting for the observers' departure is another proof of that argument.

The statistics of ceasefire violations by Armenia as seen from the information in the annex hereto attests to the mendacity and impudence of statements by its leadership and its permanent representative to the United Nations on that country's notorious attitude to peace and stability in our region. The undisguised irony of Armenia's declarations on its commitment to the peaceful settlement of the conflict is seen as a discrepancy between its stated perception of peace and actions on the ground. Thus, just a couple of days before the meeting of the Foreign Ministers of Armenia and Azerbaijan with the Co-Chairs of the OSCE Minsk Group in Paris on 24 January 2014, the armed forces of Armenia had intensified fire at the positions of the armed forces of Azerbaijan and populated areas.

The recent upsurge in violence and provocations by Armenia were condemned in the statement by the Ministry of Foreign Affairs of Azerbaijan issued on 25 January 2014. In a press release issued after the Paris meeting on 24 January, the Co-Chairs of the OSCE Minsk Group expressed their deep concern over continued violence in the region and stressed that recent incidents undermine negotiations and diminish the prospects for peace.

Azerbaijan welcomes the recent appeal that you made and, among others, the appeal by the President of the General Assembly and the President of the International Olympic Committee to all warring parties in conflicts around the world to observe the Olympic Truce during the XXII Olympic Winter Games in Sochi, Russian Federation. In a press release issued by the Co-Chairs of the OSCE Minsk Group after their visit to the region and meetings with the Presidents of Azerbaijan and Armenia on 4 and 5 February 2014, the Co-Chairs reiterated their deep concern over the recent escalation on the frontline and referred to the intention expressed by the two Presidents to strengthen observance of the ceasefire and avoid further escalation, particularly in the light of the upcoming Olympic Games in Sochi.

I have to inform you that a very tense situation on the frontline has not eased in February. Azerbaijan strongly regrets that Armenia has chosen to disregard your noble initiative and to continue its dangerous and provocative actions in contravention of its President's promise made to the Co-Chairs of the OSCE Minsk Group and, most notably, General Assembly resolution 68/9 on "Building a peaceful and better world through sport and the Olympic ideal", which Armenia co-sponsored.

I should be grateful if you would have the present letter and its annex circulated as a document of the General Assembly, under the agenda items 34 and 38, and of the Security Council.
